### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

At claim 18, line 1, -- 16 -- has been inserted after the word "claim". (This corresponds to the claim dependency that was in the claim amendment of 5/12/06.)

Claims 17, 34-41, and 45-61 have been canceled.

The following is an examiner's statement of reasons for allowance:

As per independent claim 1, the prior art does not teach the domestic heat and power system combination as recited, and in particular wherein the dchp unit controller is operable to determine operating times of the dchp unit in accordance with the heating or hot water schedule provided by the programmer module and to provide the dchp unit operating times to the energy scheduler; and the energy scheduler is operable to receive the dchp unit operating times and to determine operating times of the domestic appliance using the dchp unit operating times.

As per independent claim 15, the prior art does not teach the domestic heat and power system combination as recited, and in particular wherein at least one other home provided with a local energy scheduler arranged to communicate with the hub controller and a domestic

appliance in that home and being operable to receive power requirement information from the domestic appliance and to pass the information to the hub controller, wherein the hub controller is operable to determine operating times of the domestic appliance using the dchp unit operating times and to pass the domestic appliance operating times to the local energy scheduler that, in turn, causes the domestic appliance to operate in accordance with that schedule.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc E. Norman whose telephone number is 571-272-4812. The examiner can normally be reached on Mon.-Fri., 8:30-5:00.
